Notes: In order to support our Deaf students we require additional funds for note taking and interpreters. Also, our Health and Safety students are part of a co-op program that places them on construction sites, this means that they require hardhats/boots/tools/equipment. This also applies for our Welding Arts students who need safety equipment in order to weld.

[Dec 13, 2012 - Orig entry by: Chris Coleman]

After receiving Ministry approval, boards and internal divisions requested course additions and changes. World of Fashion was replaced by Introduction to Sewing and Drafting. The ministry code has been requested and is pending. The boards requested an additional section of 2D Digital Art 1 in semester 1. Seats were lowered in other courses based on enrollment numbers and in order to not exceed our approved allocation amount.

Notes: For the 2012-2013 school year the seats for these programs were cut we had 6 seats in Baking, 12 in Electrical and Plumber, and 6 in Residential Air Conditioning Systems Mechanic (AC-Ref). There was a great deal of student interest in this program. There were 21 students interested in Baking, 18 for Electrical, 15 for Plumbing, and 12 for AC-Reg). These numbers only include the applications the college received and does not include the number of total applications each board received. Due to limited space, boards were only able to submit a limited number of applicants. Based on these numbers we are requesting more seats to run full sections of each course.

The request currently being made in Cycle 6 is simply to have the 15 seats that were part of 2.44 moved to its own program number, 2.44c. This will help keep the SWAC data and the Alternative Ed. data separate. This has already been requested via email to David Armstrong and upon consultation with Phil and Sonja, all were in agreement to this change and have advised that a Cycle Change Form be submitted. For any additional questions, please contact: Irene Mota, DPCDSB (905.890.0708 Ext. 24516).

Notes: Mar 27, 2014 d Thorington. Removed TCDSB. Removed 4 seats in Baking (cancelled course participation). Cut the transportation request from \$34800 to \$17792. Dec 19, 2013 D Thorington - Changes: We have reduced the number of students in GNED-129 and GNED-139 by 5 each. We have cancelled APST090 since Centennial could not provide the space because of another demand and GNED-303 because students were not interested. We added 8 seats in GNED-190 for schools with an ICT SHSM. Note the reduced funding on the notes for transportation. [Aug 20, 2013 - D Thorington] move courses: Auto Measurement and Calculations and Exploring Identity: Values and Societal Trends from semester 1 to semester 2. Making these changes will make it better to recruit students for semester 2. Oct 25/13 Thorington. Reduced number of seats in GNED-302 to reflect the actual enrollment. Results in reduction of \$10,542. Please move to 17.02.

Students will also learn of support services i.e. Counselling, Accessibility, and Health Services and the differences between high school and college. Each student will be given a Dual Credit Orientation Guide that clearly outlines important dates, student expectations, and contact information for the College's support services. The SCWI program assistant will also work closely with the SWAC teacher to incorporate "added value" activities for students such as time management and study skills workshops, trips to other campuses to explore college programs, and presentations from the student federation (outlining how to get involved on campus). ## L18DC105 - L18 Dual Credits Change Request Report

Notes: Our two Summer SWAC programs during July/August 2012 had a 94% retention rate (48 students out of 51 completed their Dual Credit course) and an 88% success rate (42 students out of 48 passed their Dual Credit course.) We believe we can build upon this success in a new partnership with TCDSB while successfully maintaining our existing partnership with TDSB.

Aug. 14, 2013 - Shelagh Taber Walsh entered a request for 50 seats in the Fall 2013 semester. this is not a request involving additional funding. We would like to move 50 seats from our Fall semester SWAC program with TDSB.
